MPP Barrett,

Congratulations on your successful re-election as the MPP for Haldimand and Norfolk. My name is Gordon Mason and I am a resident in your community. I am also a member of Norfolk Pathways for People and a supporter of the provincial Share the Road Cycling Coalition – both organizations are celebrating ten years in 2018!

Our coalition includes representative members from the Lynn Valley Trail Association, the Waterford Heritage Trail and the Turkey Point Mountain Bike Club.

We have been working to build a more bicycle-friendly Norfolk County and have seen some recent successes, including the 2016 Active Transportation Strategy and our first – ever Squeaky Wheel Community Bike Fair to celebrate Bike Month. Your attendance at the bike fair was greatly appreciated.

Road safety and the choice to get around by bicycle are important issues for us and we look forward to working with you to leverage the opportunities that exist for cycling in our community.

We would welcome an opportunity to share more about the work of Norfolk Pathways for People with you and talk about the future of cycling in Norfolk County.

Happy Bike Month,

Gordon Mason, Chair
